

Rise Online Payroll

Run payroll online with your eyes closed

Say goodbye to the stress and hassle of payroll software. Our all-in-one integrated online payroll program minimizes manual data entry, centralizes record keeping, and ensures greater accuracy. Never over-contribute, be confident employee cost-sharing programs are always on target and show reconciliation headaches the door once and for all.

Save time by automating payroll

Pay employees faster, settle payroll discrepancies swiftly, and create formulas to handle commissions, benefits deductions, bonuses, and RRSP matching. Plus, automate your T4s, remittances, and ROEs.

Stop worrying about compliance

Enjoy peace of mind knowing you're always paying and remitting taxes accurately and on time and are 100% compliant for vacation, over-time, and statutory holiday pay.

Keep all your tools in sync

Forget paper time sheets and punch cards. Complete automation eliminates timekeeping errors, while real-time calculations help maintain compliance and payroll accuracy

Personalize the employee experience

Run payroll as many times as you need, at your convenience. Pay your employees at any time, make off-cycle payments, cancel a pay run, or give a bonus on the spot without having to make tax calculations.

Unlimited reporting

With just a few clicks, create detailed payroll reports online that help you dig deep into your finance and people data to uncover actionable insights.

Put your data to work

Easily export from your online payroll program into your workforce management and other mission critical systems to forecast more effectively and inform better practices.
